Defendant American Anesthesiology of Michigan, PC's motion for reconsideration is DENIED. However, should plaintiff serve American Anesthesiology with a summons and complaint in Lower Court No. 2018-165819-NH, American Anesthesiology may move for dismissal on the grounds that plaintiff failed to provide them with a notice of intent prior to filing suit as required by MCL 600.2912b and in support of such a motion, American Anesthesiology may rely on plaintiff's admissions in Lower Court No. 2018-167805-NH that it failed to do so.
